f) Any innovative/extraordinary activity/attempt during Covid-19 period (2021-22) (Maximum 50 words)

On account of the government policy of lockdown due to Covid-19, the school operated online with regular classes on digital platforms using Zoom and Google Meet apps as per the time table relevant for classes Nursery to XII. A calendar of creative and technology based activities suited to the current new possibilities was designed with a positive outlook, and executed efficiently. New modes of assessment and interdisciplinary projects were worked out alongside and followed enthusiastically. Various cultural and national festivals, special assemblies, co-curricular activities such as declamation contest, MUN, etc. as well as regular PTM were organised online. Covid-19 locked us inside our homes but at the same time it opened the doors to digital learning for all of us. DAVians participated in various Inter School Competitions and CBSE activities. The school completed two IDS projects during COVID 19 period and got IDS certification for the period (2020-23). The teachers also attended various webinars, Capacity Building Programs, PEPs; and the teaching learning process continued undeterred by the lack of physical interaction.
