

Introduction of two levels of Mathematics

The two levels of Examination will be held in the subject of Mathematics in the board examination for class **10th** in the year **2020**

And same shall

NOT

be applicable to the

internal assessment

in class 10th

There shall

NOT

be two levels of

Assessment/Examination

for class **9th**

First level would be the same
as the existing one-----

MATHEMATICS STANDARD

Other would be easier level-----

MATHEMATICS BASIC

The syllabus ,class room teaching and internal assessment for both the levels of examination would remain the same.

The **Standard** level will be meant for students who wish to **opt Mathematics at Senior Secondary level.**

Basic level would be for students **not keen** to pursue Mathematics at higher levels.

A student will have time to choose till list of candidates(LOC) is not submitted to board

In case of compartment

| In case of Failure in | Compartment option |
|------------------------------|---------------------------|
| Basic | Basic |
| Standard | Standard or Basic |
