

VISION AND MISSION

Vision

- To educate for LIFE, to instill Vedic values, ignite and hone the latent talent of the students by providing a holistic, child-centric approach and a safe environment.
- To imbibe values and human skills that stir national consciousness and sensitise students towards social and environmental concerns.
- To inculcate a sense of enquiry and scientific temperament in the minds of the students.
- To infuse global outlook and ensure that every child is sculpted as a global citizen with qualities of both head and heart.

Mission

- To provide quality education along the most modern line without disturbing the young scholars' roots in the glorious Indian culture by incorporating latest teaching methodologies and state of the art infrastructure.
- To channelize the bubbling and vital energy of the youth into creative and artistic fields through scholastic and co-scholastic activities.
- To develop a sound and healthy body through physical education, games & sports.
- To cultivate leadership qualities, broaden the mental horizon and refine aesthetic inclination.
- To develop soft skills and restore the fading moral values among students.
- To produce bright, competent, balanced, compassionate, patriotic and responsible global citizens.
